Guess Who

Dear Plainfield High Graduates:

I take this opportunity to wish you farewell and good fortune as you continue in your quest for success and personal excellence upon graduating from the Plainfield Public Schools.

You have meant a great deal to us as together we worked to assure that you would be prepared for the challenges facing you in the twenty-first century.

Many of you will go on to colleges and universities and assume leadership positions which shall enable you to share your gifts with those you leave behind. Still, some of you will find employment and military opportunities immediately after high school. All of you will be expected to be good citizens and family members.

You leave a tradition of excellence and high hopes for your continued growth and development. We, in the school system, are proud of what you have accomplished so far and our dreams are filled with more achievements for each of you.

It has been my pleasure to serve you. You remain our hope for a better future for us all.

Yours in the Struggle,

Ronald Frye, Ed.D.

Acting Superintendent of Schools

Congratulations to the Class of 1995. You have accomplished much during your four years at Plainfield High School. Your parents, teachers and friends are proud of you. You are about to enter a world that is filled with political, social, economic and educational challenges. Now is the time for you to reflect upon your strengths in order to prepare for your future.

Whether you plan to enter college or enter the work world, continue to develop employment skills that will give you a technological advantage. Make sure you are prepared to accept job opportunities in our technological society by making good choices in selecting college or technical school courses or by enrolling in on-the-job training programs. Wise choices today will allow you to have safe and secure futures.

The entire Plainfield High School family wishes you good health, good luck and much happiness as you continue your education beyond Plainfield High School.

Sincerely,

William H. Schlough

The time I was carrying you was one of the best times of my life but I had serious complications with you and wasn't sure you were going to make it. You came out to be a healthy baby and turned out to be a beautiful young lady.

Never in your 18 years have I had any trouble with you. God is good all the time. I love you very much. May God continually bless you!
